

Integrity at work.

NSS Enterprises Inc

...is a third generation family-owned manufacturing company with it's headquarters based in Toledo, Ohio, USA.

Ohio Headquarters

NSS is the only owner-operated full-line commercial floor care equipment company in the world under the ownership of Mark Bevington.

European Base

The European business is managed from our Distribution Centre based in Stapleford, Nottingham, England, where we hold spare parts and machines for immediate shipment to our customers. Our staff pride themselves in their ability to react quickly at very short notice.

Integrity at work.
