Kleenrite BioEnz Odor Counteractant

A synergistic blend of specialized strains of living bacteria. These bacteria produce enzymes that digest organic matter, thus eliminating the source of foul odors. This product effectively removes stains caused by organic matter including blood, syrup, and other foods. It actually alters the odor/gas molecule in such a way that no smell can be detected by the nose. Digests urine crystals, vomit, and other biotic substances. Natural, biodegradable, and user friendly. **Dilution:** Average - 1 part to 8 parts water.
