A ScottFetzer Company

GENUINE CLEVELAND WOOD PRODUCTS

It takes confidence for any of us to put our names on something. We're saying we believe in what we've signed. We're staking our reputation on it.

At Cleveland Wood Products, we're so confident in the quality of our vacuum cleaner brushes, we put our name on them.

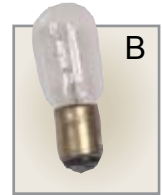

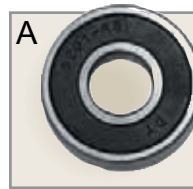

We're very confident because we know you'll get the long-lasting trouble-free service out of every one of our brushes. And we're confident that high quality and value will keep you satisfied and keep you coming back.

And that's something we stake our reputation on.

CENTRAL VACUUM SUPPLIES

Hayden Performance Pack/Vac

For homes up to 2,400 square feet. Includes an Ametek motor, high efficiency cartridge filter, Cyclonic separation, and a HIPS injection molded canister. The Performance Pack includes:

- Unique telescopic wand - swivels both ways for easy control
- Super low profile power head
- Full 14" edge-to-edge cleaning width
- 4 position height adjustment
- Chevron brush roll
- Broad spectrum light for excellent illumination
- 'Wide track' wheel system for super stability
- Easy on/off foot switch

[A] BV-2500

Hayden 3600-A SuperVac

Designed for homes up to 4,500 square feet, the SuperVac™ 3600 employs the VacTrack™ module to signal when to empty the dirt canister and service the motor. It is included: 384 air watts; 103 CFM airflow; 110 waterlift; 18L dirt capacity; cyclonic and cartridge filtration; TPC filter included.

[B] BV-3600

Hayden 6000+-A SuperVac

The SuperVac™ 6,000 combines power to clean homes up to 7,000 square feet with features as VacTrack™ and SoftStart™ to extend the life of the power unit. The value priced power unit for large homes. Includes 484 air watt; 100 CFM airflow; 137" waterlift; 18L dirt capacity; cyclonic and cartridge filtration; TPC filter included.

[C] BV-6000

The Automatic Dustpan

Installs on either new or existing systems, makes cleaning easier, ideal for workshops, kitchens, and hair salons. Just switch suction on, sweep to suction, and switch suction off, designed to fit under standard kitchen cabinets (min clearance is 3-3/8"). Includes 2 wood screws, 2 terminal connector, and 1 stop coupler, (rough-in piping and fittings are not included). White color.

[D] BV-028

VacPan Automatic Dustpan

The perfect accessory for central vacuum systems!

Installs on any new or existing central vac system. The flush-mount design is easy to install and stays out of the way until you need it. Never in the way and practically unnoticed. Installs into the baseboard.

Elky Pro® Classic 25 Floor Finish

A high-solid formula (25%) that saves labor and chemicals by building gloss with minimal coats. This finish is the best long-term choice for low maintenance systems. **SA-207**

Elky Pro® Classic Plus Floor Finish

One of the most durable floor finishes available and the best choice for facilities that want a mirror-like shine with glass-like hardness. The high-solid formula (25%) builds gloss with minimal coats. **SA-426**

Elky Pro® Ultimate High Speed Floor Finish

A versatile 22% solids floor finish with a patented formula that combines the easy maintenance of an acrylic with the hardness of a urethane. This is the best finish for conventional maintenance systems. **SA-177**

MAINTENANCE SYSTEM	
Low	For facilities on a low budget with limited personnel and equipment. Floors must be durable and clean, but restoring the floor's shine is done infrequently.
Conventional	For facilities that are budget conscious but still require a high level of appearance. They are supported by maintenance personnel that have proper equipment.
High	For facilities that need the highest level of appearance and quality. They are supported by well-trained maintenance personnel with high-end equipment.

CLEANING SUPPLIES

angled brooms (see brooms).....	7-8	dust pans.....	41-265	lobby dust pans (see dust pans).....	41

TERMS AND CONDITIONS

PRICING

- We strive to keep our prices as low as possible. However, due to unexpected increases, published prices are subject to change without notice. Merchandise will be invoiced at prevailing prices at time of shipment
- Large volume quotes are also available
- Sales Tax will be charged in states where applicable

TERMS

- Customers with a D & B rating are welcome to apply for Net 30 terms. We do require a minimum of \$50.00 per month in purchases to maintain an open account. Monthly statements will not be sent unless requested
- If an open account has not been established, the order may be pre-paid or paid with a major credit card
- Hesco accepts Visa, Mastercard, Discover, Private Issue, or American Express. If you desire, we can keep your card information on file so your orders are automatically paid as they are shipped
- There will be a service charge for all returned checks
- There is a \$2.50 handling charge added to every order

MINIMUM ORDER

- Our minimum order is \$25.00 (before freight). Any order not meeting this minimum will be automatically billed a \$5.00 "Small Order Processing Charge"

FREIGHT

- All invoices will include shipping and handling. Hesco will ship the order by carrier of their choice due to weight restrictions, unless requested otherwise

SHIPPING / PICK-UPS

- Orders placed before 3:00 p.m. CST are usually shipped the same day. Pick-ups are available in 1 business hour. We also provide Next Day or Second Day Air Service through UPS if requested. The customer is responsible for all extra charges incurred for international shipments.

DAMAGE CLAIMS

- All damage claims must be filed within 5 days of receipt by the consignee (customer) with the carrier. When reporting damage, be sure to hold all packing materials for inspection

SHORTAGES

- Any shortages must be called in to our Customer Service Department within 5 days of receipt

SPECIAL ORDERS

- Hesco will gladly order an item for you that we do not stock. These items will be ordered for you on a non-cancellable, non-returnable basis only

RETURNS

- No merchandise is to be returned without first obtaining a Return Authorization Number from Hesco
- Any authorized return must be carefully packed and be in an unmarked, saleable condition to be accepted
- All returned merchandise must be shipped freight pre-paid and all returns are subject to a 20% restocking fee
- Refused shipments are subject to a 20% restocking fee and ALL freight charges
- All returns must be made within 90 days of original purchase.

BACKORDERS

- We can "back order" an out of stock item for shipment at a later date, or you can be a "No Back Order Customer" and you can reorder the item on your next order. Let us know which is more convenient for you
- If your back order value is \$20.00 or more your back order ships the same day we receive it. If your back order value is under \$20.00 but over \$5.00 we will hold your back order for 14 days. If you place an order with us within that time frame, we will add your back ordered item to your order. If your back order value is \$5.00 or less, due to the high freight associated with small orders, we will cancel your order and notify you via U.S. mail when your item arrives, allowing you to place this item on your next order

Hesco promotes

GREEN *Cleaning*

Today's cleaning professionals are expected to not only maintain the cleanliness of their facilities, but to do it in a way that will protect the health of their workers, building occupants, and the environment. To meet this demand, regulatory agencies and product manufacturers have developed new 'GREEN' cleaning products and methods.

But Why Use Green Cleaning Products and Methods?

REDUCES ILLNESS

Reduced exposure to harmful chemicals and improved indoor air quality lowers illness in schools and workplaces.

IMPROVED CLEANING EFFICIENCY

Current green products clean as well - if not better - than traditional industrial products. Many require less chemicals and are easier to use. When used properly, they can help to reduce worker compensation claims and can increase employee morale.

ENVIRONMENTALLY FRIENDLY

Green products and methods are reducing the negative impacts of cleaning on the land, water, and air.

WHICH CLEANING PRODUCTS ARE 'GREEN'?

Many certification programs are emerging that tout the benefits of green cleaning. The most recognized are:

GREEN SEAL (greenseal.org)

The leading chemical standards board recognized by government agencies. They set stringent guidelines for products that have a lessened impact on the environment without sacrificing their cleaning performance.

ENVIRONMENTAL CHOICE (ecologo.org)

Sets standards for hand cleaners that demonstrate biodegradability, performance, limited toxicity and limited environmental impact.

U.S. EPA'S DESIGN FOR THE ENVIRONMENT (DfE) (epa.gov/dfe)

The U.S. EPA recognizes product for its use of the safest possible ingredients.

SEAL OF APPROVAL (carpet-rug.org)

The CRI (Carpet and Rug Institute) Seal of Approval program identifies effective carpet cleaning solutions and equipment that clean carpet right the first time and protect a facility's carpet investment. Look for the CRI Seal of Approval as proof that you are purchasing or using a quality product.

GREEN LABEL (carpet-rug.org)

The CRI (Carpet and Rug Institute) Green Label signifies a superior cleaning vacuum that has passed stringent testing for soil removal, dust containment and carpet appearance retention.

There are many other cleaning products that, while not yet certified by these organizations, can contribute to a greener workplace.

GREEN PRODUCTS

GREEN *cleaning supplies*

The latest advancements in technology and design have given us cleaning products that let us do more with less. They also minimize waste and help prevent the spread of germs. Here is a selection of the *Green* cleaning products that Hesco offers.

MICROFIBER PRODUCTS

In addition to being extremely durable and cleaning much better than standard fibers, microfiber also use less water and chemicals when cleaning. They attracts excess dust.

Microfiber Looped End Mop
SA-MDGR5

Microfiber Scrubber Pad
RM-Q810

Microfiber Dust Mop
RM-Q426

Microfiber Cloth with Sponge
GR-50161

Microfiber Cleaning Cloth
COM-CL121022

MOPPING EQUIPMENT

A few premium bucket/wringer combos separate clean and dirty water basins. This reduces water use and minimizes cross-contamination of your cleaning solution, meaning less water and chemicals used when cleaning.

Bucket/Wringer Combo
RM-758088Y

Bucket/Wringer Combo
RM-7777YEL

Microfiber Finish Starter Kit
RM-Q050

Press Wring Microfiber Mop Bucket
RM-Q90088

Bucketless Mop System
SA-MMS-K18

PORTION-CONTROL DISPENSERS

Regulates amount of product dispensed, helping to prevent waste or over-use. Touchless dispensers also minimize the spread of germs.

Pro-Blend Proportioner

GP-9510 & GP-9515

Hard Roll Towels
GP-9520 & GP-9525

Jumbo Toilet Tissue
GP-9505

2-ply Toilet Tissue
GP-9500

Centerfeed Towels
GP-932

GREEN *Cleaning Chemicals*

The **green** cleaning movement's biggest contribution to the sanitation industry is its influence on the advancement of cleaning chemicals. Standard cleaners work well, but many of them contain chemicals that are toxic and/or flammable. They can cause harm to both health and the environment. **Green** chemicals minimize or eliminate these shortcomings without sacrificing performance.

LOCATED THROUGHOUT THE "CHEMICALS" SECTION OF THE CATALOG

Products with the Green Seal logo meet the highest quality and environmental standards.

All Purpose Hard Surface Cleaners / Degreasers

These highly concentrated chemicals break down oil and water-based soils naturally. They replace many of the toxic products that create harmful fumes and damage the environment.

Clorox Green Works Cleaner

FR-458

HD Spray Cleaner
FR-459

Simple Green All Purpose Cleaner
SG-30301

FRANKLIN LIGHTNING BLENDS

Odor Neutralizers

Destroy odors naturally all while reducing health risks and helping the environment. These odor neutralizers use environmentally friendly methods to remove odors without masking them with harmful perfumes.

Hard Floor Care

The largest breakthrough of **green** cleaning has been in hard floor care. New floor finish formulas are non-toxic and safe for the environment, yet still provide the same gloss, durability, and coverage of traditional finishes. **Green** strippers can remove this new floor finish without fume-creating solvents, keeping indoor air quality high. When used with a **green** floor cleaner, your floors will look amazing and be cost-effective to maintain, all while reducing health risks and helping the environment.

Stain-X SassyFresh Odor Neutralizer
SA-53232

Bio-D Enzyme Neutralizer Cleaner
SA-1505

Nilodor Water Soluble Odor Neutralizer
CI-128SBN

Franklin Green Option Floor Sealer/Finish
FR-330

Franklin Green Option Floor Stripper
FR-219

Franklin Lightning Blend Floor Cleaner
FR-457

GREEN *Cleaning Equipment*

Green equipment maximizes indoor air quality and carpet appearance while minimizing energy use and waste. Vacuums that are Green Label certified do exactly that! They are cost-competitive machines that will leave carpets cleaner, help them last longer, and minimize air pollutants.

Upright Vacuum Cleaners

These upright vacuum cleaners are energy-efficient, high-filtration units that are Green Label certified for use on all conventional carpet piles. With their wide cleaning paths and easy-to-change parts, these units are important additions to any green cleaning program.

Backpack Vacuum Cleaners

With their maneuverability, ergonomic design, and advanced features, backpack vacuums have become a staple in team cleaning. They can greatly reduce the time and effort needed to vacuum medium and large rooms. Their harnessed design distributes each unit's weight, resulting in less injury and worker fatigue. These units are Green Label certified for low-pile commercial carpets.
